- ◆ Please don't blow out any candles, they will all go out automatically when the candle has fully burned.
- ◆ Please don't use any cleaning materials on the stands, they only need a gentle wipe with a dry cloth.
- ◆ Donations can be placed in the slots under the votive stands or in the original votive candle money box on the wall.

Faith in Families

have asked if Holy Souls parishioners will help out again with their Christmas Appeal. Last year proved very successful and they are hoping we can be as generous again this year. Food parcels and new, unused toys are needed and Fr Neil has agreed to take them if they are brought to Church and left in the Sacristy. Please see the poster in the entrance porch.

Churches together - Advent Service

Peoples' Ponderings

On Friday night, I had the joy of attending the Induction Mass of Canon Geoffrey in St Mary's Derby, which also included a leaving presentation for me. It is a little strange going back to a Parish to say goodbye, but its timing has worked out well, with my own induction as your parish priest taking place on Monday night. One part of my ministry has now officially ended and the next stage has now officially started. In my short time as a priest this is now my third parish and the last move happened after only spending a year in Derby. This is the norm for a newly ordained priest, so I don't think it is a sign that I am a trouble maker (well I hope not anyway!) I now look forward to spending many years here in North Lincolnshire and slowly but surely, I feel as though I am getting more settled in my new role. Thank you for your support over these past couple of months and for your understanding when things have not run as smoothly as in the past. Your prayers are much appreciated and I promise to continue to pray for you all. Hope to see you on Monday Night.
